**DEFENDANT MARK NUTTER'S REQUEST
FOR JUDICIAL RECOMMENDATION**

Now comes the Defendant, Mark Nutter, and respectfully requests a judicial recommendation that he be incarcerated at FMC Devens. The Federal Medical Center (FMC) Devens is an administrative facility housing male offenders requiring specialized or long term medical care.

The defendant has been diagnosed with a serious medical condition, and he may require long term medical care during the period of incarceration. FMC Devens would be a facility that would be able to provide the needed care. In addition FMC Devens is located fairly close to the residence of Mark Nutter's family which would permit the family to visit with Mr. Nutter on a regular basis.
